香港 - 二零一四年九月十五日 - The Supervisory Committee of the Tracker Fund of Hong Kong (TraHK) would like to express deep sorrow over the passing of Dr Marvin Cheung and extend heartfelt condolences to Dr Cheung's family.

Dr Cheung was a highly respected figure, who contributed greatly to the public services, financial services and education in Hong Kong. The Supervisory Committee is much indebted to his leadership, dedication and insight when he served as the Chairman of the Supervisory Committee for 14 years from August 2000 to August 2014. Dr Cheung will be dearly missed.

The Chairman of the Supervisory Committee, Mr George Hongchoy, said, "On behalf of the Committee, I would like to pay tribute to Dr Cheung for his tremendous contribution to the community. During Dr Cheung's 14 years of service as the Chairman of the Supervisory Committee of TraHK, he spared no efforts in steering the development of TraHK, the successful collective investment fund that is popular among the financial community. With his deep commitment and outstanding contribution to public services, his passing is not only a loss to the Committee and TraHK, but also to Hong Kong society as a whole."
